5th Annual Fall Skills Clinic & Setting Academy Clinic

This past Sunday we hosted our 5th annual *Fall Skills Clinic* at Triangle. This free clinic gives an additional training opportunity for area players and is a great lead in to our 2006/2007 tryouts. We had over 160 participants ranging in age from 11-18 years.

We also hosted an *Introduction to Triangle Setting Academy Clinic*. This premier setter training program is designed to provide the much needed extra training for this highly technical and tactical position.

We had over 50 participants in attendance at this free clinic led by TSA Program Director, Erin Lindsey. Look for details pertaining to the start of the 2006/2007 Setting Academy on our website.

Finally, we hosted a series of Parent Information sessions over the last week. The level of interest was exciting with nearly 130 families attending these sessions.

We are looking forward to a wonderful season at TRIANGLE!
