(for 2007 members/family)  
Mon., November 27th  
7-9pm

November 9, 2007

Volume 1, Issue 3

## Record Setting Tryouts!

Of course tryouts are still going on but the registration process is closed and it has been a record breaker! At close of registration yesterday we had 273 student-athletes trying out for *Triangle*.

It is exciting to witness the growth of competitive junior girls volleyball in our region. *Triangle Volleyball Club* is delighted to be part of that success and has responded to that growth by more than doubling our number of teams AND building our own dedicated volleyball facility. While we wish it were possible to do more; to offer every committed student-athlete a position on a *Triangle*

team; we must respect and recognize the limits of our organization. It is our hope and most certainly our intent that all student-athletes, whether selected for a *Triangle* team or not, leave our tryouts feeling good both about their effort and the valuable experience gained.

**What's next?** A member of the coaching staff will attempt to notify by phone each and every student-athlete who participated in tryouts at the very latest by **9pm on Saturday, Nov. 11**. At that point, we will be able to:

1. Offer you a position with one of our teams,
2. Tell you that we need more time to determine your placement,
3. Notify you that we do not have a position for you.

If you have a question, or have not been contacted within the specified time period, you may contact Casey Caram (919) 475-6714 or Jenna Hinton (252) 567-7660.

### 2006 NCHSAA Wrap-up

Congratulations to each of the current and past members of Triangle Volleyball Club who competed in the North Carolina state high school finals.

Cardinal Gibbons High School and Person County High School each walked away with a championship title. Senior setter, Amanda Clark (PCHS) and junior outside-hitter Katie Kabbes (CGHS) were each named 4A and 2A Player of the year, respectively.

Congratulations to all the student-athletes, coaches and parents who were a part of each team's success.

### TRIANGLE night at NCSU

Saturday, Nov. 18  
Miami vs. NCSU  
6 PM  
Reynolds Coliseum
