## FIVE TRIANGLE TEAMS EARN BIDS TO THE JUNIOR OLYMPIC NATIONAL VOLLEYBALL CHAMPIONSHIPS

**MORRISVILLE, NC, APRIL 28, 2007:** The Carolina Region Bid tournaments were held this past weekend at locations across the state. Teams competing in these tournaments are vying for the coveted National and American bids to the Junior Olympic Girl's National Volleyball Championships (JOVC) held in Minneapolis late June/early July. This event is the premier USAV national volleyball tournament which officially closes the club volleyball season nationwide. Five teams from *Triangle Volleyball Club* earned bids to JOVC making this one of the most successful club seasons in *Triangle's* history. Only once previously in Carolina Region history has one club earned this many bids to the JOVC in a single year (CJV - Charlotte, NC - 2005). Amidst unprecedented growth in its club program *Triangle* will send a team representing every nationally competitive age level in its organization. The following teams will compete at Nationals:

**14 Black-National Bid, Club level**

**15 Black-National Bid, Club level**

**16 Black-American Bid, Club level**

**17 Black-American Bid, Club level**

**18 Black-National Bid, Club level**

In a year marked by unprecedented growth and expansion in teams and programs, *Triangle Volleyball Club* has seen great success both regionally and nationally. For the 2007 club season, *Triangle* fielded fourteen (14) teams in age divisions ranging from 12 & under to 18 & under. Of these fourteen teams, seven (7) teams were entered into bid tournaments representing five (5) age divisions ranging from 14 & under to 18 & under. In total *Triangle* has sent 15 teams to JOVC's in 21 attempts during the club's five year history.
