PRESS RELEASE

Triangle Volleyball Club's Guinness World Record is Official

110 is now the World Record for Most Consecutive Volleyball Passes

Morrisville, NC, July 31, 2010: Triangle Volleyball Club received confirmation from Guinness World Records that the Club officially holds the new Guinness World Record for the “most consecutive volleyball passes.” The record was set at the Raleigh Convention Center [RCC] on Friday, February 5, 2010 in conjunction with the Mid-Atlantic Power League tournament [MAPL Raleigh] hosted by Triangle Volleyball Club at the RCC on February 6-7.

Triangle's record was certified after Guinness World Record officials reviewed event video, eyewitness testimony, and statements by onsite judges. The new record of 110 successful passes beat the previous record of 92 set in Germany in 2006. The record is for consecutive forearm passes over the net with a different individual making each pass. Student-athletes, coaches and parents all participated in the record.

Guinness World Records [www.guinnessworldrecords.com] is the universally recognized authority on record-breaking achievement.
